CAHLN works with a local network of community faith, religious and spiritual representatives and partners through whom spiritual care can be arranged. They can offer traditional and meaningful support from your own faith tradition and/or spiritual belief system.

How to access CALHN Spiritual Care Services

If you would like to access the services of the CALHN Spiritual Care Team, please ask your nurse, doctor or health care professional to request a visit from the team by paging the on-call chaplain:

RAH/Glenside/Repat/ Hampstead pager #1536

TQEH pager #6807

Chaplains are available on-site weekdays during business hours (9am - 5pm).

After these hours the Spiritual Care Team can be contacted on the above pager numbers to facilitate access to faith communities for end of life matters or urgent spiritual, religious and pastoral care.
